Dear Families,

International World Teachers’ Day

Thank you to all the parents who contributed to the gifts and flowers for their Class Teachers. Thank you to the P&F for the special lunch delivered for International World Teachers’ Day. A special thank you goes to Josie Baker, Bec Quayle and Linda Howell who organised the fruit basket, flowers, staffroom decorations and delicious food. The Teachers all felt very spoilt and very much appreciated your efforts on Melbourne Cup day.

**Principal’s Award for Strength and Gentleness**

**Eden Russell – Year 4**

Congratulations Eden for being an excellent example of “Strength and Gentleness” in everything you do at school. This week we are very proud of you for your achievement in being awarded “First Place” in the Digital Technologies test. This means that Eden got the highest test result for the Year 4 test this year.

Over one million student entries are accepted from over 6,300 schools in Australia and New Zealand annually. In addition, students from over 20 countries including Hong Kong, India, Malaysia, Singapore, South Africa and the USA participate in the International Competitions and Assessments for Schools (ICAS) each year.

This year over 980,000 entries were received but only 514 students from Australia and 100 students from New Zealand and the Pacific Region were awarded medals for their outstanding achievement.

Congratulations to Eden Russell for being one of these high achievers!

Eden and two guests will attend a medal award ceremony at UNSW this month, and we look forward to hearing more about that exclusive event.

**Christopher Pereira – Year 3**

In June this year the children in Years 3 to 6 were very fortunate to participate in the “St John’s First Aid in Schools Program” conducted at St Martin’s by Graham Shute.

I was very pleased to hear that recently Christopher Periera remembered this information and helped a family member with his practical first aid knowledge. Congratulations Christopher for showing initiative and for calmly carrying out first aid. We are very proud of you.

---

**PECK-B**

St Martin’s has the opportunity to work with Professor Caroline Hunt to take a closer (and independent) look at peer interactions. Parents will be invited to nominate their child/ren in years 3-6 to participate in this questionnaire, which will provide the school with valuable information.

The Development of the Personal Experiences Checklist (PECK-B) study is researching different types of peer interactions, including the range of different behaviours in which young people engage, and their effect on their thoughts and feelings.

Further information will be sent via email this week. I encourage you to nominate your child to participate, because it will help us to get a more accurate picture of peer interactions across the school if a large number of children take part in this study.

The Christmas Concert
We are counting down ...
It is only 7 more school days until the Christmas Concert on Friday 11 November. The children are all working hard to learn their lines and Christmas songs. We look forward to seeing everyone at this famous annual event.

Once again we will have a section for beach chairs on the pavers and picnic blankets on the grass so that everyone has a good view of our young performers.

Remember to invite friends and family to this community carols event.

St Martin’s Playgroup
Our St Martin’s Playgroup is an outdoor playgroup that meets each Monday morning (it’s on if the weather is fine and cancelled if raining). The children enjoy playing on the school equipment and in the sand pit and we always end with a song and a story. Our playgroup is open to anyone in the neighbourhood, so please invite your friends and neighbours with small children.

St Martin de Porres Feast Day Celebrations
St Martin de Porres was an advocate for social justice and was praised for his unconditional care of all people, regardless of race or wealth. Martin didn't care if the person was diseased or dirty, he would welcome them into his own home.

Martin's life reflected his great love for God and all of God's gifts.

Please join us in our celebrations of our patron saint at school this Thursday 3 November and as a Parish on Sunday 6 November.
I look forward to seeing you at these special events.

Kind regards,

Helen Leigh
Principal
Preparation for the Christmas Concert – Some Organisational Details

Please note that for the comfort of all families at the Christmas Concert –
Please do not bring pets, razor scooters or skateboards.
Please closely supervise younger children so that all can enjoy the performances of those children on the stage.
Please supervise older children and reinforce that soccer is not to be played on the oval during the concert.
Parents are responsible for the supervision of their own children on the night at the conclusion of the concert.
All children will need to be taken to their classrooms by 5:45 pm at the latest, so that the concert can start at 6:00 pm. Parents can collect their young performers at the end of the concert from their classrooms after letting the Class Teacher know.
Attached this week is the photography guidelines recently released from the Catholic Schools Office. Please be careful about only sharing photos of your child/ren.
Kiss and Drop – once again we will be keeping the Kiss and Drop area as a no parking space so that children or picnic equipment can be dropped off before parking further away.
If you have always wanted to direct traffic or wanted to wear a high vis vest, then please contact the school if you can assist with directing parking and the “Kiss and Drop” traffic from 5:00 pm on Thursday evening. We will supply the high visibility vests.

All Saints Day

November 1

On the feast of All Saints, we honour those men and women who—whether they’ve been canonized or not—have led lives of heroic virtue that set an example for all Christians. Saints are big dreamers. They believe that with God on their side, no one and nothing can stop them. Saints are go-getters. They don’t wait for someone else to do good first; they jump right in. Saints are love-bringers. They try to see Christ in every person and every situation. Saints tell us what matters most in life is not what we earn or own, not the job we have or the people we know. What really matters is how much we love God, others, and ourselves, and how well we show that love in all we do.

Collect Prayer from the solemnity of All Saints

Let us pray today.

Almighty ever-living God,
By whose gift we venerate in one Celebration the merits of all the Saints,
bestow on us, we pray,
through the prayers of so many intercessors,
an abundance of the reconciliation with you
for which we earnestly long.
Through our Lord Jesus Christ,
your Son,
who lives and reigns with you in the unity of the Holy Spirit,
one God, for ever and ever.

**St. Martin's Feast Day**

Tomorrow we celebrate the Feast of St. Martin de Porres. Please take time to read the following reflection from Loyola Press about our special Saint.

**Feast Day November 3**

Patron saint of social justice and race relations.

“Compassion, my dear Brother, is preferable to cleanliness. Reflect that with a little soap I can easily clean my bed covers, but even with a torrent of tears I would never wash from my soul the stain that my harshness toward the unfortunate would create.”

Martin de Porres was born in Lima, Peru, to parents of mixed race. Raised primarily by his mother, a freed slave, Martin experienced the effects of racism and poverty early in his life. He became the apprentice of a barber, learning not only how to cut hair, but to perform basic medical treatments. Feeling called to give his life to God in service of the lowly, Martin entered the Dominicans, who accepted him as a lay helper and later as a brother. He spent his days caring for the those who were sick and poor, as well as performing menial tasks within the monastery. His nights were spent in prayer, penance, and adoration. Martin treated everyone with respect and dignity, regardless of their race or social status. He was instrumental in founding an orphanage to care for Lima’s many street children.

At his canonization ceremony in 1962, Pope John XXIII said of Saint Martin: “He tried with all his might to redeem the guilty; lovingly he comforted the sick; he provided food, clothing and medicine for the poor; he helped, as best he could, farm laborers and Negroes, as well as mulattoes, who were looked upon at that time as akin to slaves: thus he deserved to be called by the name the people gave him: ‘Martin of Charity.’”

Saint Martin experienced the exclusion, derision, and discrimination of racism. Instead of growing bitter, he used his experience to reach out and comfort others. Martin’s unwavering love of God and devotion to the Passion sustained him in his charitable works that often went unacknowledged.

*Who are the people that you exclude from your life or keep at a distance? Reflect on the subtle, or not so subtle, ways you discriminate against people who are different from you. Listen for how God might be calling you to a greater inclusion of others.*

All Families and friends are invited to attend St. Martin’s Feast Day Parish Mass on Sunday 6th November. Please see note below from the Parish Bulletin.

Our Halloween party was a spooktacular event! Boys and Ghouls had a blast dressing up in their Halloween fair. We combined “day of the dead” celebrations with Halloween festivities. This included a haunted house, party games, a lolly scavenger hunt and a best costume award. We made “my pet ghosts” in a jar for kids to take home and traditional day of the dead colouring in. The food was all traditional Mexican foods including “pan de Muerto” the bread of the dead, skull cookies for the kids to decorate and tacos.

Our next big event will be our annual Christmas party on the 14th December in the afternoon session. Leo Bonne, a French mime and entertainer, has been booked to dazzle the children with his hilarious antics. There will be a standard fee of $28 per child and this will include food, craft and entertainment. Spaces are filling fast so please contact Bianca on 0409 877 663 or email Davidson.oshc@dbb.org.au to reserve your spot.
School Photography Guidelines for Parents and Carers

Information for Schools

Parents and carers have long enjoyed photographing their children’s progress at school. Today this often includes sharing the images on social media. When other students in the background are identifiable, there can be concerns if their parents/carers have not given permission and the images become public. Some parents and carers may have general privacy concerns about images of their children being posted without their consent, or in some cases, there can be real legal or safety concerns for the child or family concerned.

The attached School Photography Guidelines for Parents and Carers are intended to set out best practice in this evolving policy area.

School privacy obligations

Schools operating under the Privacy Act must obtain consent from parents/carers and students before photographing or recording images of students for online use. Schools with knowledge of personal information concerning students who cannot be identified publicly for legal or other reasons generally may not disclose such information.

General position regarding personal photography by parents/carers

The Privacy Act does not regulate personal photography or recordings by parents/carers. Schools are generally not in a position to control the personal photography activities of parents/carers or to proactively monitor what they post on social media. Generally, there is no right of schools to prevent photography in public outside the school grounds, unless a stalking, harassment or other legal issue arises.

What schools can do

Discussion of respectful and safe photography practices under these model Guidelines can be integrated as part of school community educational programs.

Additionally, where a school considers it appropriate, it may restrict photography on school premises or excursions by setting conditions of entry. Where such restrictions are used they should be clear, tailored, publicised and capable of enforcement.

For example, on the swimming carnival note a school may state that “no photography or recording is permitted at this excursion as required by pool rules and under our school policy”. This would be an example of a policy which is likely to be supported by most parents/carers and capable of enforcement. A parent/carer who wilfully disregards this policy could be warned and if persisting, could be required to leave the venue.

If a school receives a complaint from a parent concerning the photography or social media activity of another parent/carer, the school should follow its complaints handling procedure. In more extreme cases the school may assist the complainant to refer the matter to relevant authorities such as the Office of the eSafety Commissioner, or may be required to refer the matter to law enforcement authorities. In the case of persistent behaviour the school may be able to take action under its enrolment conditions.
School Photography Guidelines for Parents and Carers

Information for Parents and Carers

We recognise that parents and carers enjoy photographing and recording the progress of their child at school and on school activities. We recognise that many of you like to share these personal memories online and on social media.

We ask for your cooperation and care concerning the use and distribution of photographs of other children at our school. Some families have very real legal and safety issues which could put a child at risk if an image is made public online. More generally, it is respectful of the privacy of other members of the school community to ask permission before posting an image online. Even if your social media settings are private, it is easy for images to become public, particularly if they are tagged or shared by others.

Best practice guidelines

The following best practice guidelines have been adopted by our school to keep our students and school community safe, and to ensure respectful practices concerning the use of social media. When taking photographs or recordings at school or at school events and your images include other identifiable persons please follow these guidelines:

- Crop out other students or seek the permission of the student or (for students under 16) his or her parent/carer before posting online.
- Do not tag or name the person without permission.
- If a parent or carer requests that you do not circulate an image of their child to others, please comply with the request.
- Please seek the permission of our staff to photograph or record their activities at school. Photography of staff presenting or receiving awards is permitted.

The school will periodically review these best practice guidelines.

Mandatory policies

The school may from time to time determine that photography or recording at school events or on school grounds is restricted. Where restriction is notified, failure to comply may result in your exclusion from school premises or activities.

Under no circumstances may you photograph or record in private areas such as change-rooms, or in school offices or staffrooms, or at meetings, without express permission.

Save the Day - Sunday 27th November! Well save the morning at least......

Over the last year the P&F has been looking for how we can engage in a community event to assist with fund raising for the school. I am pleased that we have been able to make some progress with this endeavour. This year we are partnering with the Bare Creek Trail Run [http://www.barecreektrailrun.com/] as our first step down this path.

How is this going to work?
The Race Committee for Bare Creek have indicated that they will donate 10% of ticket sales back to the school, where the entry is clearly marked to have come from St Martin's. Also if we can manage to encourage more than 200 people to enter and nominate St Martins as the referral pathway an additional sum will be paid to the school. This is the first year where the Race Organizers have adopted this model and there is certainly room to negotiate next year. To help improve our position it would be great to generate as much interest as possible and as many entrants as possible from the school and school community.

What can you do to help?
There is a run/walk for everyone, with 2km, 6km and 10km events on offer. It would be great if as many of the school's families could come along and take part in one of these events. Grandparents, extended families, next door neighbours are all welcome! If we could get 2 people from every family in the school to enter one of the events then we would easily reach our target of 200 people from the St Martins community. Just make sure that you mention St Martins in the referral area. Click on this link to [Enter Here](http://www.barecreektrailrun.com/) letting us know if you have been able to enter, with the number of people so we can follow up with the Race Committee after the event. Maybe the kids could generate some entries from your street. There are lots of ways we can build a broad based community support. Finally there is a special early bird rate up until the 15th of October so enter early and save some money.

I have run this course before and it is a great part of the bush for a run or a walk, just across the valley from our school. I really encourage you to come and join me and hopefully many other St Martin's families on the day. This partnership has great potential and you get to enjoy a great part of our local environment.

You are very welcome to come and play at

**St Martin’s Playgroup**

**Mondays from 9am – 10am**

147 Prahran Avenue
Davidson 2085

This informal playtime will be held in our new playground (weather permitting). Bring a snack for your child if you wish and we will make you a tea or coffee.
