

St Martin's School Song

St Martin (de Porres),
St Martin (de Porres),
Your life inspires in us,
The will to succeed in all that's true
Through strength and gentleness.

*Beside Australian native bush
With dreamtime stories old.
We strive to learn and understand
Our part in God's great world.*

*Welcome is our message
We care for everyone.
We start off small and end up tall
And shine bright like the sun.*

*The pride we share within our school
Will never fade away.
The memories of St Martin's
Will guide us every day.*
