My Family (Week 10 and 11 Term 1)

The topic of this unit of work, which will be taught this week and next week is My Family.

The activities are sequenced in the same way as they are sequenced at school.

Activity 1: The first activity (a video) is about family's members. It is suggested that your child watches the video multiple times to master the new vocabulary.

Activity 2: This activity is a PowerPoint presentation using visual to consolidate the new vocabulary and your child will be exposed to the written form of the newly acquired lexicon while listen to the teacher reading the words. To be able to listen to the sound embedded in the PowerPoint presentation you need to download it. This presentation can be viewed multiple times, until your child feels confident.

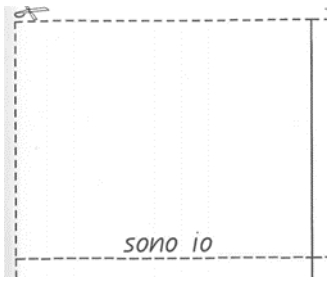
Vocabulary of the lesson:

- La mamma-the mum
- Il papà-the dad
- La figlia-daughter
- Il figlio-the son
- La sorella-the sister
- Il fratello-the brother
- La nonna-the grandmother
- Il nonno-the grandfather

Activity 3: This is a reading activity; your child should be able to recognise the words on this worksheet after been exposed several times to the PowerPoint presentation. The amount of times depends upon the ability of your child to read in English. If you wish you can print this worksheet and ask your child to colour it in.

Activity 4: This is a game on line to further the ability of your child to recognise the written form of the newly acquired vocabulary

Activity 5: This is a drawing activity. Your child has to draw their family starting from themselves (see below)



They can also copy the words from the PowerPoint Presentation. There is no need to print the worksheet it can be completed in their Scrap Book.
